U.S., Canada To Draft North Atlantic Pact

Would Unify Non-Commie Nations

Paris, Oct. 23.—(AP)—Top American sources said today that soon after the United States elections the U. S. and Canada will draft a sweeping North Atlantic alliance for full military aid to the five-nation western European union.

Foreign ministers of the five-nations (Brussels) alliance—France, Britain, Belgium, The Netherlands and Luxembourg will meet here Monday and Tuesday.

Reliable informants said they will discuss the North Atlantic Alliance and also another step for binding more firmly the non-communist nations of western Europe—the early convocation of a western European parliament.

Britain Approves
Reports in French circles said Britain finally had given her approval for calling together such a parliament.

One undetermined factor in the North Atlantic Alliance is the reaction it will stir up in the next U.S. congress. However, the general approach by American planners has been on a bi-partisan basis with Republicans and Democratic policy leaders taking part.

The European parliament enters into this aspect of the situation. It is felt the U. S. congress would more readily approve funds for the contemplated military aid if further signs of European unity, such as the calling of a parliament, make their appearance.

U.S., Canada Merge
The North Atlantic Alliance is expected to bind the United States and Canada to build up the air, land and sea forces of the Brussels Alliance.

This may cost American taxpayers \$2,000,000,000 or more a year for three to five years.

American informants said the pact envisages a seven-nation unified military strategic command under an American commander-in-chief. They said it may be concluded by mid-1949 and would guarantee each country's territorial integrity in event of war, and give the North American powers the right to establish air, land or sea bases in any of the five countries. It would provide for standardization of equipment and training.

Eleanor Roosevelt Warns Germans Of 'Sovietism'

Stuttgart, Germany, Oct. 23.—(AP)—Mrs. Franklin D. Roosevelt addressed a crowd of 1,000 Germans, mostly women, in their own language today and warned them against letting "Sovietism" take the place of Nazism.

The Germans were amazed to hear a prominent American address them in German. The spectators said they understood her very clearly. She began her address by saying, "you must forgive me, I have forgotten much in 46 years."

Mrs. Roosevelt, a delegate to the U.N. Assembly, flew here from Paris to address the meeting sponsored by the League of Women Physicians of Wuertemberg-Baden.

Speaking slowly but clearly from a prepared text, the widow of the United States war-time president drew applause when she said: "The words Nazism and Fascism will forever be looked upon with horror by the free peoples of the world, and Sovietism must not be allowed to fill the vacuum."

"It is a system is good let it be voluntarily adopted by other peoples to their need, not imposed by foreign pressure," she added.

S. Illinois U. Students Organize Own Community

Carbondale, Ill., Oct. 23.—(AP)—A group of students and instructors from Southern Illinois University have organized their own community.

It's "Southern Acres," complete with a duly elected mayor, council, constitutions and committees.

The venture developed at the Crab Orchard veterans housing project, a few miles from the university's campus.

"The project," explained Dr. W. J. Tudor, "is to give the students some practical experience in government and other subjects which they are studying at Southern." Dr. Tudor, their faculty adviser, is an associate professor of sociology.

Southern Acres has its town hall, church and recreation center, conveniently located all together in one large converted building.

GOP Prospects In State Election Appear Bright

Springfield, Ill., Oct. 23.—(AP)—Republican prospects of sending another large Illinois delegation to congress—somewhere near their three to one edge two years ago—appear bright at the Nov. 2 election.

Democrats are talking about pulling an upset and gaining up to five seats but Republicans are banking strongly on holding their own and perhaps ousting one democrat. The state elected 20 Republicans and six democratic congressmen in 1946.

GOP party spokesmen figure their candidate has a chance to win a three way race in Chicago's first district on the South Side, which has a heavy negro population. There the democratic incumbent, William L. Dawson, seeks a third straight

two-year term. He is challenged by William E. King, former republican state senator, and Earl B. Dickerson, ex-Chicago alderman running on the progressive ticket.

Dawson is putting on a strenuous campaign and is getting help from the national party. Democrats think he will win.

Among major factors in the congressional races are the national tickets, new district boundaries for the first time since 1901, and the Taft-Hartley labor law issue.

All but one of the 14 GOP representatives seeking reelection face labor opposition because of their votes for the Taft-Hartley law. However, in the primary, organized labor was shut out in attempts to unseat seven republicans whose nominations were challenged.

The lone GOP incumbent who voted against the Taft-Hartley law was C. W. (Runt) Bishop, 58 year old former coal miner aiming for his fifth trip to Washington. His opponent in the 26th district of Southern Illinois is Kent E. Keller of Ava, a three time loser in previous bids against Bishop. Keller was in congress 10 years before his defeat by Bishop in 1940.

All six democratic incumbents, including five in Chicago and one downstate, are gunning for new terms. One is Adolph J. Sabath, 82 year old dean of the House with 42 years service. He is favored over Francis C. Sperry, republican, in Chicago's seventh district.

Green Assured Women Voters Seal GOP Victory

Chicago, Oct. 23.—(AP)—Republican Gov. Dwight H. Green said tonight that support of women voters assures a GOP state victory Nov. 2. Senator C. Wayland Brooks, Republican seeking reelection, said the Democrats now expect President Truman will lose "by a nationwide landslide" for Governor Dewey, and to salvage what they can, are concentrating their efforts on Senate and House contests.

Green will make a fifth statewide campaign talk Monday over 40 radio stations. He will speak over WGN, Chicago, at 7-15 p.m. (CST). Green addressed the Women's National Republican club today. He said he is sure the GOP is better organized than ever in Illinois precincts this year because women are doing "a bigger share" of the work.

"Women's votes will elect our entire state ticket," he said.

Brooks spoke at a Polish-American banquet at the LaSalle hotel. He said a Dewey victory would be "empty" if a Republican congress isn't elected as well.

Truck Driver Admits Strangling Pretty Divorcee

Grand Rapids, Mich., Oct. 23.—(AP)—A truck driver was detained on an open charge today after he told police that he strangled a 35-year-old divorcee whose nude body was found in his hotel room late Friday night.

Detective George Lynch said Clyde Corbin, 32, of Grand Rapids, made the oral admissions. Assistant Prosecutor Roger O. McMahon reported that Corbin later signed a written statement.

McMahon quoted Corbin as saying he choked attractive Mrs. Vera M. Byrnes, 35, of Grand Rapids, "because he was envious of her attention to other men."

Probation officers said they saw the body when they went to the room Friday night to serve papers on Corbin for non-payment of alimony to his divorced wife.

William Rob, Kent county friend of the court, said he and two assistants forced their way in. Corbin, who also was undressed, told them the woman had been drinking and asked them not to disturb her.

Roh said: "It was only when police were called in to investigate that the woman was found to be dead. Lynch said."

Chinese Order Two Towns Evacuated

Nanking, Oct. 23.—(AP)—The government has ordered the evacuation of Kaifeng, capital of Honan province, and nearby Chenghsien, a railroad city, reliable sources here said today.

These sources said the step was taken to shorten the government's defense lines and concentrate troops for an attempt to crush Red Gen. Liu Po-Cheng's central China army.

Gas Explosion Kills Woman On Operating Table

Harrisburg, Pa., Oct. 23.—(AP)—An explosion of anesthetic gas apparently killed Mrs. Anna Barbara Vugrinec, 59, on the operating table at the Harrisburg hospital, Superintendent Webster S. Kohlhaas said today.

Two anesthetists, Miss Frances Metz and Miss Dolores Carter, were slightly injured in the blast but kept on working, Kohlhaas said. The surgeon, Dr. Norman B. Shepler, and his assistant, Dr. Thomas E. Davies, were uninjured.

The accident occurred yesterday as the woman, mother of five children, was undergoing an abdominal operation.

Kohlhaas said the operation was about completed at the time of the blast. However, Mrs. Vugrinec was still under anesthetic.

"She apparently died of shock," he added.

A combination of gas and ether was being used, he said.

"We don't know the cause of the explosion but we believe it must have been from static electricity," Kohlhaas added. "We have no knowledge that our mechanism was faulty."

Dewey Plans Invasion Of Democratic Cities

Albany, N. Y., Oct. 23.—(AP)—Gov. Thomas E. Dewey invaded four Democratic city strongholds next week in a campaign winchup aimed at what he hopes will be a big popular vote victory Nov. 2.

The Republican presidential nominee, working here on his final speeches, was said by associates to be confident he would be elected president by a substantial margin in the electoral college.

But he was represented as his ambition to win by a popular vote margin even greater than the 3,500,000 by which the late President Roosevelt defeated him in 1944. In that year, Roosevelt polled 25,602,000 votes and Dewey 22,006,000. The electoral college total was much more

one-sided. Roosevelt got 432 and Dewey 99.

As the campaign enters its final phase Dewey's lieutenants are saying privately that they hope to turn the table on the Democrats with as high—or even higher—margin of victory in the electoral college.

But they and Dewey would like also to have a 5,000,000 or more margin over President Truman in popular votes.

Democrats, of course, contend that Dewey will have a deficit, but they are not forecasting—even privately—any 5,000,000 victory margin for the president.

The theory behind the Dewey drive for a big popular vote victory, his aides said, is that if he were elected by a substantial margin over the votes polled by all other candidates, his hands would be strengthened in dealing with international problems.

There is every indication that Dewey will continue in the final week of campaigning to plug away at the theme that his election will unify the country and save notice on the world that there is no division here over foreign policy.

Cordell Hull Asks Russ To Live Up To U.N. Pledge

Washington, Oct. 23.—(AP)—Former Secretary of State Cordell Hull tonight appealed to Russia to cast away its "dangerous behavior" and live up to its peaceful pledges in the United Nations charter.

Hull, whom President Roosevelt once called the "Father of the United Nations," spoke with the prestige of the first man to obtain Russia's official promise to cooperate in a world peace organization after World War II.

The "Elder Statesman" of American diplomacy went on his mission to Moscow five years ago this month and returned here with high hopes of permanent peace. He issued his new plea for Russian cooperation in a statement from the hospital quarters he has occupied for the past several years at naval medical center here.

He said the Russians had pledged themselves in 1943 at Moscow and in 1945 at San Francisco to "cooperate with all peace seeking nations" in making the United Nations "a bulwark of peace and security for themselves and for the world."

Hull's statement contained the most strongly worded criticism the Russians he has ever publicly expressed. He said:

"Instead, they have so far pursued an opposite course and, through their dangerous behavior both inside and outside the United Nations, have aroused throughout the world growing impatience and mounting resentment. All this has tended to make the work of the United Nations organization vastly more difficult and thus to impair its effectiveness as an indispensable framework of a peaceful world order."

Fear Soviet Veto Of Plan Imperative

Paris, Oct. 23.—(AP)—Andre Vishinsky of Russia has rejected the six-power face-saving resolution for solving the Berlin crisis, an authoritative informant said tonight.

A Soviet veto of the resolution when it comes before the Security Council on Monday apparently is in the cards. Although there is no certainty that Moscow has given its final answer, it appeared Vishinsky took his stand after consultation with the Kremlin.

The informant disclosed Vishinsky's attitude after the Soviet deputy foreign minister had conferred for two hours with Juan Bramuglia, Argentine foreign minister and leader of the six neutrals on the Security Council.

Propose Russ Lift Bloc
The six powers yesterday introduced a resolution in the Security Council proposing that Russia lift the Berlin blockade immediately; that the four military governors of Germany begin immediate negotiations to implement the Moscow agreement of Aug. 30 for a Soviet-backed, four-power controlled mark in Berlin by Nov. 20, and that a foreign ministers council be convened within 10 days thereafter to take up other German differences.

Vishinsky's objection, it was reported, was to lifting the blockade before a currency solution went into effect.

Refuse Soviet Proposal
The western powers already had turned down yesterday's counter-proposal for simultaneous lifting of the blockade and putting into effect the currency agreement.

Bramuglia was said to have told Vishinsky he would not bother to relay his renewed counter-proposal a second time to the western powers, who object that it would oblige them to negotiate under pressure of the blockade.

The Argentine added that he would press his efforts for a settlement of the case even if Vishinsky finally kills by veto the resolution of the neutrals—Argentina, China, Canada, Belgium, Syria and Colombia.

Indian Government Asked To Assume Control Of Mahe

Pondicherry, French India, Oct. 2: (AP)—The French administration of Mahe has collapsed and the Indian government has been asked to assume control of the Malabar Coast City, advisers received here today said.

Dispatches from Tellicherry almost adjoining Mahe said Indians challenging French rule in French India have forced the surrender of gendarmes and hoisted the Indian union flag over the administrative office. The west coast port has a population of about 14,000.

A French government official said here that the cruiser Dugauvrouin had been ordered to Pondicherry, capital of the scattered French settlements in India. Pondicherry is on the Bay of Bengal across Southern India from Mahe. The cruiser is expected Tuesday.

Governor Charles Baron, commissioner for French India, blamed the rioting in Mahe and unrest in other French Indian towns on "external pressure in connection with municipal elections scheduled for tomorrow."

Baron assailed particularly the tactics of the all-Indian Congress party, which favors union of French India with the dominion of India.

Post-Dispatch Reporter Indicted In Shelton Probe

Peoria, Ill., Oct. 23.—(AP)—A St. Louis newspaperman investigating the slaying of gangster Bernie Shelton was indicted with three members of the Shelton gang today on charges of kidnapping, intimidation and conspiracy.

The reporter, Theodore C. Link of the Post-Dispatch, was indicted by one of two grand juries called to investigate alleged conditions of gambling and corruption in the Peoria area that Link's news stories described.

Others indicted are Earl Shelton, brother of the slain gang leader, and Ray Walker and Jack Ashby.

The four men were accused of forcibly detaining, assaulting and questioning Peter Petrakos, associate of the slain Shelton brother, in Link's Peoria hotel room the night of July 20. It was after this meeting that Link wrote a series of articles for the Post-Dispatch on conditions in Peoria.

The grand jury in its report today said: "It is incumbent on us as a grand jury to censure the St. Louis Post-Dispatch for its publication of alle-

gations and charges which must be judged in the light of the evidence to have been calculated to serve other purposes than of either truth or the public good.

"Further censures must attach specifically to Mr. Link x x x for his part in the publication of these charges and allegations and more particularly for his avoidance of service to appear before this grand jury."

"The evidence tends to show that Link relied for the information which he published in the statements, unsupported and unworthy of belief, of self-admitted gamblers, brothel-keepers, prostitutes, ex-convicts and others of like stripe."

All four men were named in three indictments. The conspiracy indictment contained seven counts; the kidnapping two, and the intimidation two.

The September grand jury said it heard no evidence to support the earlier grand jury's statement that it had been told arrangements were ready for resumption of open gambling in Peoria and the county after the Nov. 2 elections.

THE DANGERS OF CARBON MONOXIDE

During the colder months of the year when houses and garages are likely to be shut up tight, poisoning from a gas known as carbon monoxide becomes increasingly common. In spite of the many warnings about this gas, especially of the danger of running the motor of an automobile in a closed garage, each year brings forth a new crop of casualties.

In a closed garage, the oxygen in the air is used up quite rapidly by a running automobile motor. The exhaust of the car pushes carbon monoxide into the air. This is an odorless gas; when it replaces the normal air, it quickly causes unconsciousness and death soon after. When breathed in, this gas combines with a portion of the blood known as hemoglobin which normally carries oxygen to the tissues. When carbon monoxide replaces oxygen in the hemoglobin, the tissues are starved for life-giving oxygen. Some authorities believe that carbon monoxide has other bad effects on the human body also.

If poisoning from carbon monoxide comes slowly from small amounts in the air, the principal symptoms consist of headache, dizziness, desire to vomit, muscular weakness, and a generally "bad" feeling. If it comes on rapidly, the victim becomes drowsy and unconscious so fast that these other symptoms may be passed by. Breathing and heart rate become rapid.

A person who has been exposed to carbon monoxide should be removed from the bad air at once. Artificial respiration and giving oxygen as soon as possible are desirable.

There is a question as to whether there is such a thing as chronic poisoning from carbon monoxide. Actually, it is doubtful that chronic poisoning exists, and there is no reason to believe that those who work in atmospheres in which there are slight amounts of carbon monoxide become affected.

Can a veteran enter business with non-veterans and obtain a guaranteed loan?

1898—The Gillham Funeral Home—1948

Fifty Years Of Service

FRED R. BAILEY

A view of the Gillham Funeral Home, 326 West State street, shows its spacious exterior and covered arch driveway connecting with family rooms. The funeral home is one of the community's landmarks, located just across the street north

CLARENCE H. MUEHLHAUSEN

Faithful Service To Public Guides Past And Present Owners

October is the fiftieth anniversary month of the Gillham Funeral Home, one of Jacksonville's best known institutions of service.

Down through the years the Gillham Funeral Home has earned the respect of succeeding generations. Today, as a half century ago when the late W. W. Gillham founded the funeral home, highest professional standards guide its course.

During the 50 years there have been three distinct periods of ownership. After Mr. Gillham's death in 1928, Thomas C. Jenkinson and Fred R. Bailey became owners of the business. They continued to build upon the tradition of service established by the founder. Mr. Jenkinson passed away on August 1, 1948, after which a new partnership consisting of Mr. Bailey and Clarence H. Muehlhausen became owner of the Gillham Funeral Home.

Close association has always existed among the men who direct and carry on the service of the institution. Each has passed to others the sacred trust of serving the public with sympathetic dignity—administering the wishes of families with professional understanding born of long experience.

The name of the Gillham Funeral Home has been retained by succeeding owners because it stands as a monument to ideals of service which have been perpetuated through the years.

Fred R. Bailey, senior member of the firm, is a native of Virginia, Cass county. He entered the undertaking and furniture business at Virginia in 1911, continuing there until 1928, when he came to Jacksonville and with Thomas C. Jenkinson purchased the funeral home.

Clarence H. Muehlhausen was reared in this city and attended the Jacksonville schools, after which he graduated from the Worsham College of Mortuary Science in Chicago in 1926. Mr. Muehlhausen has been with the Gillham Funeral Home for 18 years.

Both gentlemen are active in religious and civic organizations. They are held in high esteem by the entire community.

Serving with them as assistant is Albert Teaters, a young man who has made many friends since moving to this community. Mr. Teaters was reared at Rock Island, Ill. He has been employed in the funeral profession ten years. His wife is the former Dorothy Ann Postlewait of Chapin.

The beautiful and modern brick building of the Gillham Funeral Home, 326 West State street, affords ample room for complete funeral service. An organ was installed in the spacious chapel several years ago.

Whether final rites are conducted in the chapel, church or home, the Gillham Funeral Home extends to the public the same complete, understanding service. That is the mission it carries from its first half century into the next.

Founder Of Funeral Home Remembered As Friend, Civic Leader

Founded in one century—serving almost to the halfway milestone of another—the Gillham Funeral Home looks back with affection upon men who helped to establish its policies and ideals.

Although W. W. Gillham, the founder, passed away 20 years ago, his name is still familiar to many citizens. He was friendly, kind, a likeable man in all respects. There are hundreds of homes in Central Illinois that revere his memory, because of his service and sympathy extended during sorrow. Not only was Mr. Gillham eminently successful in his chosen vocation, but he had the happy faculty of acquiring new friends and cherishing old friendships all through life.

Thomas C. Jenkinson worked with Mr. Gillham. He was thoroughly familiar with the founder's strict regard for the wishes of the families who summoned him for professional service. Mr. Jenkinson respected and followed those ideals. He, too, is gone, his death having occurred on Aug. 1, 1948.

His associates, Fred R. Bailey and Clarence H. Muehlhausen, are now owners of the business. Their aim shall always be to honor the memory of their predecessors by keeping the Gillham Funeral Home a true Symbol of Service.

Youth Assistant Needed In Greene County Rural Work

Carrollton—A joint committee of the Farm and Home Bureau is making plans and interviewing candidates for the position of Greene county youth assistant. The committee members include Mrs. A. K. Baldwin, Mrs. Oscar Thiebaud, Mrs.

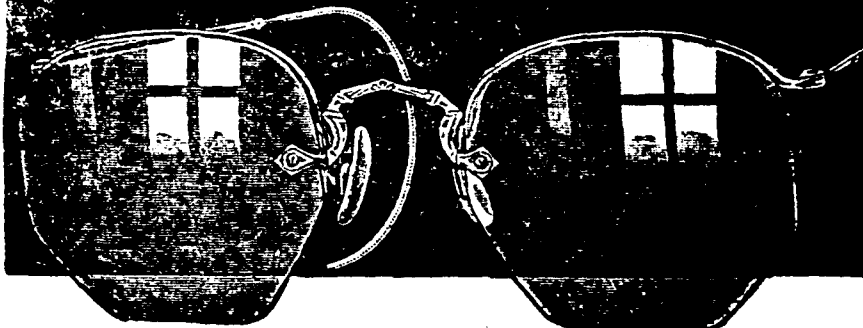

Lynn Kinser, George Cory, Frank Siemer and Roy Short.

The employment of a fulltime youth assistant will make possible a year round 4-H program for both Agricultural and Home Economics clubs and a broadening of the Rural Youth program to include unmarried young men and women from all parts of the county.

In addition to the work of the youth assistant, in the county plans are being made by the Farm Bureau to designate a 4-H club sponsor in each of the 13 townships by the director of that area. It will be the responsibility of the 4-H club sponsor to cooperate with his director in locating and obtaining local leadership for at least one Agricultural club in his township, to determine the number of boys and girls of 4-H age in his area, assist the club leader and members in interesting other youth in joining a club and to serve as a member of the county 4-H club committee.

Pretty Wedding At Murrayville Church

Marjorie Walsh Becomes Bride Of M. E. Verry

Miss Marjorie Clair Walsh, daughter of Mr. and Mrs. Maurice Walsh of Murrayville, and Marvin E. Verry, son of Mr. and Mrs. Ronald Verry, were united in marriage Saturday morning at St. Bartholomew's Catholic church at Murrayville. The ceremony was solemnized before a large gathering of relatives and friends. Rev. Father D. P. Lydon officiated at the double ring service, which was followed by nuptial mass. The altar was banked with chrysanthemums and ferns.

Mr. and Mrs. Francis Flynn sang the Agnus Dei (Rhodes) and Rosewig Ave Maria. They were accompanied by Mrs. Paul Conner, who played the traditional marches for the processional and recessional.

The bride, entering the church on the arm of her father, wore a gown of white marquisette, styled with a fitted bodice and full skirt terminated in a train. A V-shaped yoke was fashioned with inserts of Chantilly lace and a two-inch ruffle. Her skirt was made with panels of the lace ending in a deep flounce at the hemline.

Her fingertip veil of illusion was secured with a tiara of shirred illusion and seed pearls. The bride carried a shower bouquet of lilies and white roses.

Attended By Sister She was attended by her sister.

Martha Ann Walsh, as maid of honor, and Miss Yvonne Simon of Hardin, Ill., as bridesmaid. They wore dresses identically designed of taffeta faille, made with drop shoulder effect, edged with pleated ruffle and basque waist with full skirt of floor length. Miss Walsh's dress was a deep shade of lavender, and Miss Simon's dress was dusty rose. They carried Colonial bouquets of chrysanthemums in shades of yellow and rose, which matched the flowers arranged in coronet style in their hair.

Mr. Verry was attended by William Cox of Springfield as best man. Harry Stromme, also of Springfield, brother-in-law of the groom, served as groomsman.

Fifty At Hotel Breakfast
At the conclusion of the wedding a breakfast was served to 50 guests at the Dunlap hotel in Jacksonville. Later in the day Mr. and Mrs. Verry left for a short trip to southern states.

For traveling the bride was attired in a dress of cream-white wool, with brown coat and matching accessories.

Mrs. Verry, a graduate of Sacred Heart Academy of Springfield, was formerly employed in the office of St. John's hospital.

Mr. Verry, who is a graduate of Chatham High school and the Industrial School of Engineering in Chicago, is superintendent of the Jack Frost Ice Company in Canton, Ill.

The couple will make their home at No. 4 South Avenue D, in Canton, Ill.

S. C. Neighbors Club Has Meeting

Mrs. Everett Mason entertained members of the S. C. Neighbors club at a meeting which took place at her home.

Bunco was played, with prizes being won by Minnie Bealmear, Maude Hopper and Annette and Alma Halligan. Refreshments were served. The next meeting will be held Nov. 9 with Mrs. Reat Moody.

Keys, Byus Speak During Rally Of Young Democrats

A crowd of 300 enthusiastic young Democrats crowded the Amvet Hall on West State street Friday night to hear the addresses made by Sam Keys of Lincoln, Ill., and M. Brooks Byus, candidate for state's attorney in Morgan county.

The meeting was under the general chairmanship of John T. Ryan of this city and was sponsored by the Young Democrat's organization of Morgan County, of which Harold Nunes is president. Arrangements

had been made by the committee for an address to be delivered by Sam Keys of Lincoln, who spoke on the responsibilities and obligations of young people in government. A short message of welcome was given by Mr. Byus after he was introduced to the audience by the general chairman, Mr. Ryan.

The audience, which was representative of most of the county precincts, enjoyed the music of Jimmy Conlee's band for dancing from 9 to 1. Refreshments were served during intermission.

Former Local Girl Engaged To Wed

Mr. and Mrs. Merrill M. Barlow of Des Moines, Ia., formerly of this city, have announced the engagement and approaching marriage of their daughter, Miss Theodora Leigh Barlow, to Larry M. Ask High Schools To Participate In Speech Contest

The Junior Chamber of Commerce has mailed invitations to all high schools in Morgan county, including Routt and the Illinois School for the Blind, to participate in the annual "I Speak For Democracy" oratorical contest.

Each school has been asked to hold preliminary contests, after which the winning speakers will compete in a county contest. High school contests must be completed by Nov. 24, after which the Junior Chamber of Commerce committee, of which Arthur E. Hallberg is chairman, will announce the date of the finals.

Transcriptions of the county finals will be made and the winning transcription will be entered in the state finals.

Prizes for winners of the county contest have been donated by Hopper & Hamm home furnishings, the Illinois Tire & Battery Company and Jacksonville Novelty Company.

Four national winners will be presented with \$500 scholarships, an all-expense trip to Washington, D. C., and various other personal gifts.

The purpose of the contest is to give the youth of America an opportunity to express an appreciation for the American way of life and to instill in the minds of others the importance of democracy working for leadership in world affairs.

Gusse Duffner Is Honored By P.T.A. For Long Service

Miss Gusse Duffner, in appreciation for her 37 years of teaching service, was presented with a beautiful over-night case at the Franklin P.T.A. meeting held Thursday night at the school auditorium. Miss Duffner was introduced to the group by Mrs. Glenn Skinner.

Miss Elender Savage, who was in costume, sang a group of Mexican songs accompanied by Miss Patricia Woolridge.

A panel discussion was held on "working together." This was discussed under three sections: 1. the qualifications necessary for a good school; 2. those necessary for a good teacher; 3. the types of development necessary for a child's growth, including social, emotional,

and academic phases. Miss Grace Fitch, principal, presided over the panel. The speakers included Mrs. Edward Moy, Mrs. Mabel Watt, Mrs. Thelma Hollowell, Jack Hartong and Clarendon Smith. There was a great deal of audience participation.

The officers of the Franklin P.T.A. are Mrs. R. A. Bullington, president; Mrs. Harold Hunter, vice president; Mrs. D. M. The service was performed by the Rev. Clair E. Malcomson at his home on Clair Church street. Homer Campbell, brother of the bride, and Miss Tommie Burks, daughter of the bridegroom, were the attendants. Mrs. Bernice Angelo played "I Love You Truly" before the ceremony.

A street-length dress of royal blue crepe was worn by the bride. Her accessories were black and her corsage of white rosebuds. The bride-maid wore a handstitched suit of beige gabardine, with brown accessories and a corsage of white gardenias.

Following the ceremony, a wedding supper was held at the JayCee restaurant for members of the immediate families. The couple then left upon their wedding trip. Balanced Feeding

Here's a Good Plan Brood Sows - Baby Pigs

Feed Corno Sow & Pig Feed and grain in equal parts to the brood sow until weaning time. When the pigs are two to three weeks old, start feeding them Corno Sow & Pig Feed, putting it in self-feeders in creeps.

Corno Sow & Pig Feed provides essential ingredients that help build big litters and give pigs a good start for fast, early gains.

For Fattening Up

Feed Corno Hog Supplement free choice. It takes just 40 to 50 pounds to balance 5 to 6 bushels of corn to build 100 pounds of pork. Corno supplies extra proteins, vitamins and minerals to add a plus-power to your grains, for fast, money-making gains.

When Corn is Short

Feed Corno Hog Fattener. It is a complete, balanced pork-builder. 300 to 350 pounds of Corno Hog Fattener should put 100 pounds of pork on a good pig. No grain is needed.

Keep the rations balanced

Find Kane Man's Death Caused By Suicidal Wound

Carrollton—A Greene county coroner's jury determined Saturday that Henry Butler of Kane died as the result of "a gunshot wound self-inflicted with suicidal intent."

Testimony of Kane residents showed that the 70 year old Butler locked himself in his home, nailed down windows, and probably ignited his home, after which he shot himself. The resultant fire destroyed the small dwelling early Friday morning.

Butler was dead from a bullet wound in his head when his body was pulled from the burning house.

Coroner Bill Wolfe of Roodhouse conducted the inquest at the Simpson Funeral Home here. Jurors were Fred Gleason and Fred Smith of Carrollton; Joseph Ozbun, E. I. Ozbun, N. H. Halbert and Mr. Wood of Kane.

Funeral services for Butler will be held Sunday at 2 p. m. at the Kane Baptist church, with Rev. Mason Smith officiating. Burial will be made in the Kane cemetery.

Two Jacksonville Students Injured Near Springfield

Jack Joseph Page of Palatine, Ill., a student at Illinois College, and Miss Sally Blazer of Aledo, Ill., a sophomore student at MacMurray College, were injured at 8 o'clock Friday night when the car in which they were enroute to Springfield overturned on a curve four miles west of Springfield.

Page, who was driving, suffered a chest injury and minor lacerations.

Miss Blazer was reported to have suffered severe shock. Physicians

planned further examination of her injuries Saturday. Both students were taken by ambulance to St. John's hospital.

Page told State Patrolmen Verne Hurst and George Gebhardt that he was forced to swerve sharply to avoid a head-on collision with an approaching car that was on the wrong side of the highway.

Page and Miss Blazer were going to Springfield to help promote the appearance of Paul Whiteman's orchestra at the state armory Saturday evening.

The Loves of Carmen
By SOPHIE KERR
Copyright, 1948, MEA SERVICE, INC.
Serialization of screenplay from a novel by Prosper Merimee

THE STORY: Don Jose, young officer in a fashionable Spanish regiment, falls victim to the charms of the bewitching gypsy, Carmen. He kills his commanding officer in a sword-fight over her and is forced to flee to a mountain hide-out, where he joins the band of gypsy rogues who become Carmen's associates. He becomes a thief, smuggler and murderer with a price on his head. Victim of one his stage-coach robberies is a young dragon, Nict of the soldier, reminder of his past, enrages him.

XXIV
A SHORT distance from the hold-up, Carmen rode up silently on her little mule. She dismounted and slyly viewed the proceedings from behind a rock, taking great care that Don Jose might not see her. She watched with a pleased vicarious excitement, moving noiselessly toward the group. As she drew near, Don Jose dragged a handsome shawl from a frightened middle-aged woman. He did not see Carmen and she, having escaped his notice, could not help swaggering up to a passenger and relieving him of his watch and chain.

Pablo said, "We have company." Don Jose looked up, and his expression changed when he saw Carmen. He walked to her side. She turned away from the passenger, the watch dangling in her hand, as he came up to her. "What are you doing here?" Don Jose said in a low voice.

Carmen's expression was fretful. "I was bored. I won't sit on my haunches and wait for you, stirring a pot of stew. I've been my own woman too long, my friend."

Jose grabbed her shoulder and spun her aside from the watching passengers. "I told you to leave these matters to me. I want no more of this!"

Carmen flamed with anger. "You told me. You wanted no more! I am not your slave!" She flipped the stolen watch at him. "I am new idea of lady-wife. "Yes," she agreed. "It was very humiliating. I think you should ask my pardon." "I did."

To see how far this device would work, she said, "I think you should ask my pardon several times."

Don Jose said, "You are right. I should."

She slanted a look up at him, feeling that she had him now. "I think you should let me ride out with you again."

His face hardened and he threw out his answer. "Never!"

Her face hardened too, and she rose angrily and turned her back to him.

"Carmen."

She didn't answer.

"Carmen, let's go away," he pleaded. "I want to clear out of this. Come away with me, Carmen. Now."

"Where?" she exploded. "Where can you go with the police in every city at your heels? With every soldier, every dragon under orders to shoot you on sight."

He ran his hand across his eyes. "I don't know where we can go. But I know I am sick to death of all this. I have had enough of it. He took hold of her shoulders gently. "We'll go away—just you and I. To Mexico, perhaps. I want to live like other people without hiding. I'm so hungry for the sight of simple, decent people. I want to sit with plain men and talk about farming." His voice trailed off miserably. "I find myself thinking so often these days of my home in the north."

"They'll hang you there, too," she said, "if you show your face."

He pleaded with her, "We could go to Mexico, couldn't we? It is not like home, but we could live like other people."

She shrugged away from him. "I wasn't born to grow cabbages, Joseito. You knew that right from the beginning, when you chose to live this kind of life with me."

"I didn't choose," he answered bitterly.

"Ha! So it's my fault! I led you into it! By the nose, I suppose." She jerked out her words. "You killed the colonel—I didn't! She flung herself into the darkness of the cave and he followed her. (To Be Continued)

TOUGH JOB

Making a calendar for our earth is no cinch, and many people still are dissatisfied with our present arrangement. The trouble all lies in the fact that the day is our natural measure of time, but 365 and 242/1000ths days, the time it takes the earth to go around the sun, cannot be divided easily.

Community Chest Fund Hits Half-Way Mark In Saturday's Report

Total campaign pledges for the Community Chest reported Saturday were a little less than 50% of the 1948-1949 goal, according to a financial report released Saturday by the report desk in the lobby of the Dunlap hotel.

Pledges amounted to \$18,429.39; the goal is \$39,000.

Pasture Plus Time Makes Good Beef, University Finds

Urbana—You can finish a good feeder calf to choice market grade on 39 bushels of corn in 235 days, according to tests reported Friday by University of Illinois men at Cattle Feeders Day.

Other College of Agriculture work showed that steers gained an average of 311 pounds in 158 days this spring on low-cost, homegrown or mixed pasture, both with clovers mixed in. This gain was valued at about \$90 an acre, and the cost per 100 pounds of gain was only \$9.94.

These steers gained 482 pounds in a 13-month feeding period, mainly on cheap pasture forage. The only grain or concentrate fed was 115 pounds of soybean meal. Total cost per 100 pounds of gain was only \$17.45.

Feeding tests by Fred C. Francis, assistant professor, sought to discover how much corn it takes and how long a feeding period is needed to finish known feeder grades of cattle to any given market grade.

This season's tests just completed showed that choice calves weighing 480 pounds when feeding started on November 6, 1947, gained 1,955 pounds a day during an average 235-day feeding period to reach choice carcass grade. They gained 458 pounds and used 39 bushels of corn, 1,500 pounds of silage, 311 pounds of soybean or linseed meal and 600 pounds of clover hay per steer.

When slaughtered between June 1 and July 27, 1948, 12 carcasses graded AA and three were A quality. They dressed out 63 percent. It takes about twice as much corn to finish those same calves to prime grade, Francis noted — 63 bushels compared to 39.

New Grade School Teacher Added To Jerseyville Staff

Jerseyville—Mrs. Claude J. Davis of Jerseyville has been temporarily added to the teaching staff of the Jerseyville Grade school and begins her duties Monday. Her employment will become permanent upon endorsement of the Teachers Committee of the Board of Education.

Principal O. A. Wilson, Jr., announced Wednesday.

Mrs. Davis is the wife of Attorney Davis who recently became associated with the law firm of DuHadway and Suddes. She received her Bachelor of Science degree from the University of Illinois and taught music in the high school at Hume, Ill., for a year.

Due to the increased enrollment at the Jerseyville Grade school another section of the fourth grade has been established and will be taught by Mrs. Rosalie Trengrow, who has been teaching the fifth grade. With the addition of another teacher, the fourth grade teachers will now have twenty-six students each instead of 37 and 41 as formerly. Miss Catherine McDonough and Miss Mildred Wood are the other fourth grade teachers.
